**BENGAL ENGINEERING AND SCIENCE UNIVERSITY SHIBPUR**

Sub: Architectural Design  
Code-AR 503

Full marks-100  
Time-12hrs

There is a proposal of a small shopping complex within a housing complex consisting of 100 plots privately developed near south suburban municipality. It will house an anchor shop of renowned retail chain selling household item like electronic as well as mechanical and utility furniture of area 2000 sqm. Another 2000 sq.m of area will be utilized for other home-related utility shop of 200 sq.m each. You may provide a food court of suitable size in the complex. The site is given in attached drawing.

Drawing requirements: plan and section (scale-1 : 200)

3-D view highlighting the entrance.

Special note: West Bengal Municipal by-laws should be followed.
