Bengal Engineering and Science University, Shibpur
Architectural Design-IV AR 605

Full Marks: 70

Time: 12 hours

CONTINUING EDUCATION CENTRE AND GUEST HOUSE COMPLEX
AT BENGAL ENGINEERING AND SCIENCE UNIVERSITY, SHIBPUR CAMPUS

Since its conversion to a full fledged University in 2004, B.E.S.U.S has hosted a number of National and International conferences as well as Refresher and Short-term courses during summer and winter every year. To accommodate visiting participants and delegates, there is a need for upgrading guest house facilities available in the campus. In this connection it is proposed that in the Eleventh Plan, a new University Guest house will be built. Your assignment is to develop a design proposal for the guest house with the requirements as outlined below.

Note: Architectural Graphic Standards only are allowed in the Examination Hall.

REQUIREMENTS

- Lounge and reception with check in/check out counter
- Conference facilities for 50 persons with spill over spaces for registration and serving refreshments in buffet arrangement.
- Dining Hall for 25-30 people seated
- Kitchen and Store to serve the Dining Hall
- Double Rooms with attached toilet 25 nos.
- Single rooms with attached toilets 25 nos.
- VIP Suites with sitting, dining and bedroom area, including bathroom and dressing unit 02 nos.
